.....

Dear Friends:

We appreciate the confidence you have placed in us. We are very aware that you have entrusted a great responsibility into our hands. Our desire is to serve you in a very special way.

Dealing with death can be the most difficult experience in one's life. You may know that we are an independent, family owned and managed funeral establishment in the South Plains area and unfortunately, our numbers are diminishing. Since 1890 we have been serving families during their time of need and have gained many insights in how to most effectively help those we serve. We will seek to help you in any way we are able. This is only made possible through your help and concern. Please let us know if there is anything that you wish or require.

**OUR SPECIAL GUARANTEE TO YOU:**

We are committed to providing outstanding service to every family that calls on us and attempt to provide the finest facilities at very moderate prices.

**We try to provide the same level of personal service to every family.**

Our fair prices represent the best value in this area. Our staff is knowledgeable, thoughtful and kind. If you are not satisfied with any of our services, we will be happy to discuss your thoughts with you.

I wish to extend my sincere sympathy to you and your family. Please call me personally if there are any questions that may be of concern to you.

Sincerely,

A handwritten signature in cursive script that reads "Duane J. Victory". The signature is written in black ink and is positioned below the word "Sincerely,".

## PROFESSIONAL SERVICES

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. If you are charged for any items you did not specifically request, we will explain the reason for the charges on a written memorandum. Please note that there may be charges for items such as cemetery fees, flowers and newspaper notices. However, any funeral arrangement you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

### BASIC SERVICES OF THE STAFF AND OVERHEAD\*

Licensed Funeral Directors and qualified staff are on call 365 days a year, 24 hours a day, to respond to the initial death call, arrange and plan the desired services with the family and all other parties involved including compliance with all federal, state and local funeral and cemetery regulations and supervision of the desired services by a fully licensed funeral director in charge. Our firm has a 116 year tradition of service and excellence under the ownership of the same family for that length of time. **\$ 1,845.00**

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving of remains.)

### SCIENTIFIC EMBALMING AND PROFESSIONAL CARE\*

INCLUDING THE USE OF STATE OF THE ART PREPARATION FACILITIES, EQUIPMENT AND SUPPLIES. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you selected certain funeral arrangements, such as a funeral with viewing or when forwarding remains by common carrier. If you do not want embalming, you usually have a right to choose an arrangement which does not require you to pay for it, such as direct cremation or immediate burial. We require embalming for any services selected that include any public or private viewing by the family or for mausoleum entombment.

**\$ 750.00**

## STATE CODE REQUIREMENTS

The Texas Health and Safety Code mandates that a body must either be embalmed or refrigerated after 24 hours following death and the Code of Criminal Procedure stipulates that a body may not be cremated within a time

frame less than 48 hours after the time of death as indicated on the regular death certificate, unless or until the remains have been released by medical or law enforcement authorities.

# ***OUTER BURIAL CONTAINER PRICE LIST***

Effective date: July 1, 2006

In most areas of the country, no state or local law makes you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or a protective burial vault will usually satisfy these requirements.
